2. [ ] Faculty Representative, Naval War College, told AIR that the change of command at NWC took place on 17 August. Vice Admiral Benedict Semmes has replaced Vice Admiral Richard Colbert, who is now Chief of Staff/SACLANT. Admiral Semmes asked [ ] to check informally to see when the Director might be available to accept a speaking invitation at NWC; [ ] that late September or early October are possibilities. Admiral Semmes is writing a letter to the Director inviting him to speak at Newport during the time frame above. [ ] is hoping he can accept for a Director of CIA has never spoken at the Naval War College; Air, Army, National, but not Naval War!

4. The Civil Service Commission is planning a one or two-day conference in the near future "to give Federal Employee Development Officers an opportunity to discuss and recommend action in areas of mutual interest and concern to their agencies and areas in which the Bureau of Training (Civil Service Commission) can provide assistance or improved service to agencies." Agencies have been invited to submit recommendations for subject areas to be considered and discussed during the conference, and we have nine items, including criteria for academic sponsorship; upward mobility training; individualized instruction; and production of motion picture and CCTV instruction.

25X1A8a

5. We provided [ ] Training Officer, [ ] information on training in contracting for one or two staff employees. He was interested in courses given by the military where a student would learn about a military organization contracting with a commercial firm.

25X1A9a

6. On the subject of contracting, we also had a request from OL for dates of Contract Law and Contract Administration courses given at Wright-Patterson Air Force Base; and from TSD for a description and dates of a "Research and Development Procurement Course" given at Lowry AFB.

25X1A9a

7. We filled a request from [ ] AF/TO, for information on correspondence study leading to a high school diploma for the son of an employee in [ ] [ ] provided information on three schools.

25X1A9a

25X1A

8. We now have six nominees for the 13 September National Interdepartmental Seminar. The DDP/TRO phoned in three names on 1 September: [ ] Chief of Plans, NE; William [ ] FE; and [ ] TSD. These nominations are a result of a "command" call from the DDP's office. Other offices represented: NPIC [ ] OC (Charles [ ] and [ ] DDS/STO, informed.

12. Messrs. [ ] visited the United States Naval Academy to learn how the Academy was utilizing student responding systems in their program. Professor Karel Montor developed a unit which he is using in his courses. Our discussion with him provided us with some useful ideas that we can incorporate into our system.

25X1A9a

25X1A9a

13. [ ] attended the IBM Computer presentation in Washington, D.C. A special post presentation tour and discussion with the technicians concerning the various media used and the control circuitry required should prove beneficial in the planning of media and its effective usage.

25X1A9a

14. [ ] OC, [ ] spent a day with ITB. He brought two courses of instruction which he completed using the "systems approach." The day was spent in analyzing the objectives, how they were to be achieved, lesson plans, handouts and methods for instruction. This is part of their on going long range program of conversion to the "Systems approach" in the effective development of instruction.

25X1A6a

25X1A9a

15. [ ] will be on TDY to [ ]  
18 - 26 September for an Africa Division training assignment.
